# Vehicle Wraps

Exotic • Luxury • Commercial

Repainting your vehicle can devalue your vehicle dramatically. Protect your OEM finish and maintain your resale value with a unique paint or custom designed wrap!

With our specialized vinyl waxes your wrap will always look brand new! While also protecting it from UV rays increasing its life expectancy

Enjoy your vehicle being 100% protected from fading, rock chips, road salt, and all natural hazards.

# POWERING YOUR PASSION

[WWW.MECHMAN.COM](http://WWW.MECHMAN.COM)

A vintage green Volkswagen Type 2 (bus) is parked on a light-colored gravel surface. The background shows a dense forest of green trees. The bus has a white roof rack and a dark green front grille. The word "FUNFEST" is overlaid in large, bold, white capital letters across the upper portion of the image.

[CLICK HERE](#)

A red Ford Mustang with large off-road tires, framed by an orange border. The left side of the frame features the "GAUGE magazine.com" logo. The right side features the text "WTF9!" in large, bold, black letters, with "OF THE MONTH" in smaller letters below it. The car is shown from a front-three-quarter angle.
